We, the Senior Class of 1979, would like to Dedicate this page to the memory of a friend and former classmate, Kyle Whaley.

The Journey of Life has a beginning and an end. The measure of the success of the Journey is determined by how well we have been remembered and if the world is somehow better for our having been on this Journey.

music makes the world go 'round

On March 30, 1979 at 7:00 A.M., WHS band left town on charter buses to visit our friends in the BHS band. We stopped in Le-Mars, Iowa for morning lunch and at Worthington, Minn. for dinner. When we arrived in Bricelyn we practiced our eleven numbers for the concert that evening. Following the concert the BHS band hosted a dance in the school gym for our band. We stayed over in the band members' homes that night. The next morning we left at 8:00 P.M. We spent Saturday in Sioux Falls, South Dakota. We visited the Children's Zoo and went shopping in the Empire Mall before dining at the First Edition, where we ate by candlelight and fireplaces. After taking in a movie we started homeward, playing cards and discussing the good time had has. We all enjoyed the trip very much.

THE ANNUAL STAFF THANKS YOU FOR YOUR CONTRIBUTIONS

our farewell

AT THE CROSSROADS
You to the left
and I to the right,
For the ways of men
must sever —
And it well may be
for a day and a
night,
And it well may be
forever.
But whether we meet,
or whether we part
(For our ways are past
our knowing),
A pledge from the heart
to its fellow heart
On the ways we all
are going!
Here's luck!
For we know not where
we are going.
